HAPPY EATER!

Have just returned from Ostend with my hubby Pete after a business trip. I went completely bonking mad over there – there were so many fi t blokes up for it!

I don't exactly know what attracted them, but who cares? I loved them following me around like randy tomcats.

I took them back to our rooms in pairs or more where they chewed on my bullethard nipples while their fingers probed my juicy love holes.

My clit is ultra sensitive, which is why I fuck so much, and I need very little stimulation to make me cum with a big splash

That really got them going when about a pint of my hot honey bubbled and squirted from my love cave.

I suck my hubby several times a day, and I don't stop until his balls hit my chin.

For me, spitting is bad manners. So I sucked cock and ate cum like a good 'un, with not one complaint.

I couldn't stop cumming as I pummelled them with my big legs and milked their cocks dry with my snapping pussy.

They filled me up with thick hot spunk while Pete took photos of the whole thing.

One after the other each bloke stumbled from the bed, balls drained.

One guy looked familiar somehow. "I've had complaints about screams," he said.

Then I remembered that he was the hotel manager.

It was his day off and Pete gave him permission to fuck me. His licking made my juices flow pretty quickly. Our first fuck was very quick.

He said, "I don't normally cum this quickly. Your little pussy took me by surprise."

He had a big mushroom knob which I adored and giant balls which kept slapping up against my arse as he banged me. He came in huge great galloping loads.

I am totally insatiable and always wet and eager for cock. It's my pussy and I can do what I want with it!

NAUGHTY NEIGHBOURS!

I have just moved into a new house with my husband of two years, Simon. To be honest, I'm already a bit bored with him – and that hasn't been helped by moving to a quiet little village where I knew absolutely no-one. I've developed a whole new fantasy life for myself – and a taste for magazines like Razzle.

It was through Razzle that I first started to fantasise about having sex with another woman.

That's when my neighbour, Caroline, caught me out. I'd usually go up to the bedroom to undress myself and get my fingers to work, but that day I'd just been feeling so randy I'd stood over the kitchen table with a mag spread out on it, yanked down my little panties, pulled my dress up and pushed my fingers into my sopping wet pussy from behind for a delicious wank.

I was so engrossed in the orgasms I was giving myself that I just didn't hear Caroline coming to the back door. I normally lock the side gate, but that day I must have forgotten, so she'd let herself in that way and was actually coming to introduce herself to me for the first time. What an introduction she got – my gaping, oozing cunt on full view as my fingers slipped in and out as I climbed up towards another climax.

I had no idea she was even there until she opened the door and stepped inside.

"You must be Alison," she said. I looked up in shock, and there was my

SAM & JESS

What's with all the tin foil? Have Jess and Sami gone all paranoid and bonkers? (Yes, loves, you are being watched, but only so as we can have a toss.) Or are they trying to wrap the world's largest turkey up in time for Christmas? "No, it's just the photographer making it up as he goes along," sighs Jess. "Sometimes that's the best way to do it, isn't it? Just go where the mood takes you. And if that means being stuck in a 69 with Sami's ripe, dripping pussy on the end of my tongue, so be it!"

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

Everyone has a kink – what's yours?

Well I'm into most things and I don't really see them as kinky, but I suppose being tied up counts as a kink. A couple of years ago I was going out with this bloke called Ian who loved tying me up. That's when I discovered I liked it too.

One time we'd been out to a party and we'd had plenty to drink and smoke so we were randy as rabbits when we got home. We went straight to the bedroom and Ian turned out all the lights so the room was illuminated only by moonlight. Then he slowly undressed me till I was totally naked, keeping his own clothes on. I felt totally under his command.

He turned me round and made me bend over. He worked his tongue inside my warm gash, sending ripples of pleasure through me. As he lapped at my pussy I heard him unbuckling his belt. I suddenly got goose pimples all over me at the thought of him tying me up.

Standing me up straight, he rubbed his leather belt all over me, teasing me and getting me very turned on. He rubbed it across my nipples, which were bullet hard, and between my legs and up my arse crack. Then he gently pulled my arms behind me and slid the belt around my wrists.

He slowly pulled the belt tight, before tugging hard at the end. I gasped as my wrists were suddenly locked together in this leather bond. Then he grabbed a scarf and tied it around my head so I couldn't see. Now that my wrists were bound and my eyes were blindfolded, I felt entirely submissive to him and couldn't wait to be used.

He led me to the bed and perched me on the edge of it. After a pause I felt his hand on the back of my head and he forced it forward onto his cock. I opened my mouth and plunged it over his dick, sucking like mad. My head was going back and forth on his cock like a woodpecker, with my hands bound behind me.

He held the back of my head tightly and forced his cock far down my throat.

Obligingly I took him up to his nuts. I really wanted a bellyful of spunk, but he had other ideas. Sliding his cock out, he hoisted me onto the bed on all fours.

I buried my head in the pillow and shoved my arse in the air, my arms still bound behind my back. He rubbed my clit and pussy, telling me I was in for a fucking. I begged for him to do me hard.

He lined his cock up at my entrance and rammed it in to the hilt, forcing me forward and knocking the stuffing out of me. Then he started fucking me like crazy, driving in with long, powerful strokes. He locked his fingers with mine to keep me in position as he pounded the fuck out of me.

I felt an amazing orgasm rushing on me as I received a high speed hammering, and I literally bit the pillow as I came. He kept up the frantic pace and another orgasm followed close on the heels of the first. I was trembling uncontrollably and my pussy was spasming like mad – I'd never had such a great fuck before.

He declared he was going to cum and jumped off the bed so he could get level with my face and shoot his load there. My cunt still full of sensations, I turned my head to the side to catch ream after ream of hot spunk as it splashed out of his cock.

That was one of the first times he tied me up, and one of the most memorable shags I've had.

Where is the strangest place you've had sex?

I've had sex in quite a few unusual places – in the sea, on a plane, on a train and once in a McDonalds toilet. The strangest, though, was probably on a roof.

I used to work as a receptionist at a fi rm in Derby. In the summer we'd go up onto the flat roof and catch the sun during our lunch hour. One time I was up there with a junior manger called Liam. We got on quite well and as we were the only ones up there we got a little bit frisky. I was

visit www.paulraymond.xxx

straddling him as he sat in a deck chair. We were kissing and groping and I got so turned on I had to have a fuck. I told him I wanted to shag him so we went along a ledge round the corner of the roof so we were out of sight if anyone from work decided to take in some sun.

Though we couldn't be seen we were still only yards away from anyone who came up to the roof. We could also hear the traffic below us and voices from the street.

Furtively I hitched up my skirt and Undid Simon's belt and trousers. Once his trousers were around his ankles his cock sprung up ready for action. I knelt in front of him and took it in my mouth, giving it a good coating of saliva. Then he pulled me to my feet and pushed me up against the wall.

He lifted my legs up around his waist and took their weight. His cock nudged around my soaking entrance and once he found the right spot he slipped inside me easily. When he was up me I wrapped my legs around his waist. He took hold of by buttocks and started pumping his cock in and out of my juicy pussy.

As we fucked we heard voices from the roof around the corner. A couple of our colleagues had come up to the roof.

We continued fucking, turned on my their close proximity. I had to bite Simon's shoulder to prevent myself from screaming as we came together in a rush of juices.

We had to wait until the others had gone before we went back round, acting all innocent when we got back to the office.

Have you ever had sex with more than one person at once?

I was at a party about a year ago when I had a very horny encounter. It was some time around Christmas and one of my mates held a massive party at her house. It was great – there were all sorts of people sloping off to various rooms to do various things to each other.

I ended up in one of the bedrooms with my mate Jenny and some random bloke I'd never met before but fancied a bit of.

Jenny shoved the wardrobe against the door and we all jumped onto the bed. The bloke was lying in the middle as me and Jenny kissed him, rubbed him up and started stripping his clothes off.

When we had him naked we both went down on his cock, taking it in turns to take it down our throat while the other one licked his nuts. Then we got his bell-end between our mouths and snogged each other, our lips locked around his helmet and our tongues teasing it. He fucking loved that and told us he was going to cum.

Both desperate to taste his spunk, we jostled for position as I finished him off with my hand. With a grunt of satisfaction he shot his load over our faces. Jenny caught a big wad in her mouth and then shared it with me in a warm salty kiss.

As the bloke lay recovering on the bed, me and Jenny started on each other.

Standing up, we seductively peeled one another's clothes off. Jenny took my nipple in her mouth and sucked it hard as I ran my fingers through her hair appreciatively.

I love getting my tits sucked, and now I wanted some pussy.

Bringing up a chair, I sat Jenny on it with her legs spread wide. I positioned her so the bloke on the bed had a good view.

Crouching down, I began to lick Jenny's pussy. She moaned as I flicked her nub with my tongue and licked her lips from top to bottom. Jenny was rubbing her nipples and groaning while the guy on the bed was slowly pulling his stiffening cock.

As I concentrated my tongue around her wet hole, Jenny started to rub her clit.

After just a few seconds of this she said she was going to cum. Her hand was a blur as she helped me bring her off and she shuddered as she came. Her juice flowed straight into my mouth and I drank it in eagerly.

I decided it was my turn to get my rocks off. I got on all fours on the bed and told Jenny to get underneath me and eat my pussy. She put a pillow under her head so she could suck my cunt easily while the bloke fucked me. He shuffled into position and Jenny guided his cock into my soaking pussy.

He started to slide it in and out while Jenny licked my pussy and his cock. I was moaning and bucking like crazy because it felt so good. Before long I was cumming, covering the guy's shaft in pussy juice.

Then I buried my face in Jenny's pussy.

The geezer was next to blow, sinking his cock into me and emptying his nuts deep inside.

Jenny loved licking my pussy, tasting the mixture of spunk and pussy cum inside it.

As she cleaned me out I brought her to a climax with my mouth. What a fuck – and I've never seen that bloke since!

glamorous blonde neighbour, staring at me wanking myself. She'd caught me red-handed – and sticky fingered!

"You look as if you're enjoying yourself," she smiled to me. "Mind if I come and give you a hand?"

I was speechless as she sashayed over to me and picked up my juice-stained hand. She brought it up to her mouth and began to lick my fingers clean one by one, her gaze never leaving mine. I felt like my cunt would erupt, I was so excited. Then she bent over me, unzipping her dress and pulling it down so that her hard nipples were bursting out of her flimsy white bra.

She lay her body on top of me, her nipples pushing into my back, and began to frig me with expert fingers.

It was all I could do to keep breathing on the brink of such a climax. Caroline didn't say a word, just kept stroking my clit with her thumb over and over and probing my cunt with her fingers. When I finally orgasmed it was so intense I yelled out loud, Caroline still pumping at me until every drop of juice was gone. I'd fantasised about something like this happening for so long, but to actually experience it for real, for the first time, was a hundred times better than I could have imagined.

Caroline sank down on to her knees then, and began to eat out my soaking wet cunt. This time my orgasm was slower and deeper, with me panting hard as it rippled through my body from my toes upwards.

I don't think I'll ever forget that first time I felt a woman's tongue inside me – and I was determined that this experience was just going to be the start of something even more exciting.

"You really needed that, didn't you?" Caroline smiled to me as she tongued me off, licking all my cum juice from her lips.

"What's up – hubby not giving it to you?" It was then that I poured it all out to her. After all, she was hardly a stranger any more, was she? I told her about my sex life – or lack of it. She grinned. "I'll have to introduce you to a couple of my best friends..."

I arranged to go over to Caroline's for coffee the very next day!

She introduced her friends as Sue and Helen, and it was immediately

obvious that they were a couple.

"Caro tells me you want to learn a few tricks," Helen purred. "Well, I think we can sort that out. Just let us take the lead and we'll show you how it's all done. Who knows – you might be able to wake up that husband of yours after this!"

I could tell the way her fingers were lingering on my pale body and big fat tits that I had passed the first test. "Mmm, ready and willing," she murmured, burying her face in my pussy.

As Helen began to eat me out, her girlfriend moved in behind me. I could feel her bare boobs rubbing against my back.

"Sit her down," Sue told Helen as she began to stroke my neck and back. Helen moved me into one of the kitchen chairs, never taking her mouth from my cunt for a moment. I was soon spread-eagled in the chair with my thighs wrapped around Helen's neck while Sue dangled her tits into my mouth. I sucked her hard, rolling the teat around my tongue and feeling Sue's fingers stroking my own boobs. I was barely aware of Caroline watching, her hand inside her panties as she frigged herself off over the show in front of her.

Obviously I couldn't hold back for long, and I came onto Helen's lips with a juddering climax which slicked her face with my cum juice. "Come on, give me more," she urged as she carried on tonguing me, her fingers inching their way round to my bum crack so she could stroke me there.

She brought me off again, and then it was Caroline's turn. "Give me a go!" she demanded, and Helen made way for her.

This time Helen wanked herself while Caroline licked me out, telling me how good I'd tasted when she'd first had me in my own kitchen. "But it's far better with an audience," she breathed and dived into my cunt yet again, with the result that a torrent of my juices leaked down her throat.

She swallowed the lot, fingering my hole at the same time to keep me worked up and brimming over.

"She's really getting the hang of this," I heard Helen say. By now, we were all stripped off down to our undies, and the warm kitchen was filled with the

It's always the quiet ones you've got to watch out for. The girls who say they couldn't possibly perform in front of an audience are usually the ones who end up hogging the microphone, and the cock, by the end of the night. "If you think my rendition of I Will Survive is ear-splitting, you should hear me in the sack!" chuckles Jodie, 21 from Kent. "Once I get over my nerves, I love opening my lungs, and legs, in front of a gang of lads!"

We thought we'd do something a bit different this month and add a home made amateur photo shoot in and amongst some of our established photographer's handy work! "We've had so many great shags in the bathroom!" Jess told us. "Sometimes doing it in bed's a bit boring, but in the bathroom you can be as mucky as you like, and the clean-up is a lot easier too, if you know what I mean!"

smell of tangy cum juice.

Helen was soon doggy-style on the kitchen floor, while Sue produced a long, wicked-looking dildo from her handbag and began to inch it up her girlfriend's cunt. Helen took the whole length, right to the hilt, yelling out for Sue to pump it into her as fast as she could.

From then on, the afternoon descended to total depravity – and I loved every minute of it! Sue said that as I was the new girl, it was only fair I should get a taste of everyone, and that everyone should get a taste of me. So I perched on the worktop next to the cooker and opened my cunt for all-comers, while the other girls knelt in front of me and took turns to eat me out. I had such a feeling of power sitting above them, looking down at one blonde head after another as they eagerly tongued at my cunt and just waited for me to come for them. I swear my pussy was red raw after it was worked over first by Sue, then Helen and finally Caroline, who brought me to such a shattering orgasm I had to put my head between my legs to recover.

Then the three of them got me on to the kitchen table, star-fi shed out so that every hole was wide open. Then all three of them treated me at once, with everyone taking turns to sit on my face until my face was coated in cum, while the other two played with my cunt, using the dildo and their fingers to probe the tight hole until I had another almighty climax.

I couldn't tell you who was in what position when by that point, because I'd lost all sense of time and where I was. Finally, we all showered together in Caroline's luxurious bathroom – and yes, it ended up with fingers, tongues and hot, wet limbs everywhere, and the soap in more than a few funny places into the bargain.

Life in the village is no longer boring!

FIFTY & NIFTY!

I am a 40-year-old who had been celibate for two years until I met my new lover who is a very young 50 and has certainly been around.

He's been into swapping, swinging, orgies, has had many a threesome and at times has even been paid for sex by cockhungry women.

I have learnt and experienced many things since meeting this man. I have fulfi lled many fantasies and I now have frequent relationships with bi-girls and threesomes with my man.

Two big cocks filling me up at once is my favourite. I am now also an exhibitionist and a voyeur. I love watching my boyfriend fuck other women and he loves to watch me have sex with girlfriends.

Once he brought a young lad home and the two of them fucked, licked and sucked me. For the first time I had my boyfriend's big cock up my cunt and the young lad's up my tight arse.

The youngster was cumming all over me but my man has a lot of control - he can fuck me for hours and when he does cum it is like a geyser.

The best part about that night was when I sucked and wanked both of them off and they came in my mouth and on my face.

That was awesome, I loved it. Two nights after this he brought a bisexual girl home. She was an ex-shagging partner. She was only in her twenties but far more experienced than me.

She devoured me. Her tongue was down my throat and my tits were in her mouth.

She wasted no time in getting to my love hole.

She licked and licked, giving me the most orgasms I've ever had in one session.

When she stripped off in front of me I noted her young body was a lot firmer and fuller than mine.

After we'd 69d she sat on my boyfriend's big fat cock and rode him for ages before she went down on him and he spunked in her mouth. I loved watching that.

I have gone from being a naïve 39-yearold to a sex maniac in one year. He has introduced me to toys, latex and leather, a bit of S&M and multiple orgasms.

I don't think my years of celibacy were wasted because they've made me determined not to go back to them!

Any single bi-sexual women out please there contact me as I want to experiment more!

At five-foot eleven Page towers over us short-arses, especially in those killer heels. "I'm cheeky, sarky and a real woman. Are you enough of man to give me a good seeing-to, or am I going to have to take control and man-handle you into submission? Either way, I'm game for it!"

TURNING NYMPHO - *PRIVATE*

Starring: Natalia Starr, Scarlett Knight, Henessy, Amber Deen, Francesca di Caprio.

"Life is wonderful for noble country girl Natalie Starr, she has spent her years being raised as the perfect little innocent daughter that her parents always wanted, heir to the family mansion and fortune, what more could she possibly desire? However, in her adolescence, Natalie has become curious, curious about life, sex, boys, girls, her desires have grown, and she wishes to explore her full sexuality. Repressed for years Natalie is now ready to let loose as she lets all those sexual desires come to fruition. This Nympho takes every opportunity to get horny, whether it's masturbating in the back of a taxi over her crush Amber Deen, lusting after Francesca di Caprio in a wild DP, or seducing her best friend Scarlett Knight for a night of lesbian passion. Even when she catches her faithful maid Henessy fucking her boyfriend, she can't help but join in. Natalie Starr is completely unchained so don't miss this nymphomaniac's journey of full sexual discovery in Private Gold, Turning Nympho."
